Matt Isenberg

Associate - Ackerman Medical

PROFESSIONAL EXPERIENCE

Matt Isenberg, an up-and-coming producer with Ackerman & Co., specializes in medical real estate transactions that require creative planning and strategic real estate implementations. He has worked for a variety of medical-related companies and physician groups, including Aderhold Properties, Micro Consultations, Inc. and LBC Universidad.

Mr. Isenberg's professionalism and medical real estate acumen has garnered valued long term relationships with his many medical clients, including AIM Research Medical Company in its recent corporate real estate realignment. Mr. Isenberg also displays intimate knowledge of the opportunities and trends within the dynamic medical real estate market, which gives his clients the competitive and cost-saving edge.

He received his Bachelors degree from the University of Georgia.
